Residential on 1.10 Acres

N/A, LOS ANGELES, CA

When an estate surpasses architecture and design, it becomes a work of art. Inspired by the iconic Reina Sofia museum in Madrid & built by a world class art collector on the finest street in Holmby Hills, a spectacular backdrop was created for a personal collection of antiquities & contemporary art. After a decade, the result is rarefied 30,000 Sq feet of museum-quality rooms w/soaring ceilings, carefully curated materials & a flow that makes this landmark home feel both expansive and intimate all bathed in natural light. From the soaring 30 ft entry w/400 yr old moorish columns & 16th/17th century Florentine carved ceilings, to the Art Deco library, which has been called "The Finest Room in LA," this rare blending of gallery, artistic temple & personal sanctuary only becomes available once in a lifetime. A gated compound, for the most discerning, features every conceivable amenity; a 3-story guesthouse w/a stunning cinema, an entertainment complex, outdoor ballroom, underground parking, & manicured grounds of over 1.1 acres.
